

NORTH STAR BHP STEEL

DIRECTIONS FROM THE EAST OR WEST

Take the toll road to Exit 39/3B. Go south on State Route 109. At the first traffic light continue through the intersection to our south security gate. After being allowed through the security gate go to the first stop sign after the gate and turn right (to the north). Go to the next stop sign and turn left (west). Travel past the scrap building and melt shop to a white building with a blue roof and lots of windows. This is the Admin Building. Park in the parking lot out front and enter the main lobby.

DIRECTIONS FROM TOLEDO

If you are coming from Toledo, take Airport Highway west to the first traffic light west of Delta and turn left. Continue to our security gate. After being allowed through the security gate go to the first stop sign after the gate and turn right (to the north). Go to the next stop sign and turn left (west). Travel past the scrap building and melt shop to a white building with a blue roof and lots of windows. This is the Admin Building. Park in the parking lot out front and enter the main lobby.

DIRECTIONS FROM MICHIGAN

If you are coming from Michigan, it is best to take I-75 south to the Toll Road (I80/90) and go west to Exit 39/3B. Take State Route 109 south. At first traffic light continue through intersection to security gate. After being allowed through the security gate go to the first stop sign after the gate and turn right (to the north). Go to the next stop sign and turn left (west). Travel past the scrap building and melt shop to a white building with a blue roof and lots of windows. This is the Admin Building. Park in the parking lot out front and enter the main lobby.
